**Les Éditions Panthéon-Assas**

Depuis leur création en 1998, les Éditions Panthéon-Assas (EPA), pilier de la recherche de l'Université Paris-Panthéon-Assas, mettent en lumière les travaux de ses enseignants, chercheurs et docteurs grâce à plusieurs collections.

Des actes de colloques, des essais et des thèses sont ainsi publiés dans le spectre de ses disciplines phares : droit, science politique, gestion, économie et sciences de l'information et de la communication. Les Éditions Panthéon-Assas ont aussi pour mission de rééditer des auteurs classiques pour permettre la redécouverte des ouvrages de référence devenus, avec le temps, introuvables. Enfin, deux annuaires annuels incontournables sont publiés chaque année : l'*Annuaire de droit de l'Union européenne* (ADUE) et l'*Annuaire français de relations internationales* (AFRI).

**Nos ouvrages imprimés sont présents en librairie  
et disponibles sur le site de LGDJ.**

**Certains titres sont désormais aussi accessibles sur Cairn.**
